

DuPont™ Tyvek® ENVELOPES

Tamper Evident Envelopes

- ▶ If you want to discourage people from interfering with your confidential documents, you mail them in tamper-evident envelopes made of DuPont™Tyvek®.
- ▶ A two-layer seal on the flap breaks down when opened.
- ▶ When you seal it again, an 'opened' message shows through the window.

Custom Envelopes

- ▶ Choose from hundreds of styles or design whatever you want--any size, any closure, any color, just ask.
- ▶ Ideal and highly recommended for promotional mailings, product introductions, media kits and any high impact marketing effort designed to get noticed and make a powerful impression.
